## Top Aussie band at Highfields Block Party - This Friday

The Lamplights don't just write great songs. They deliver memorable, inspiring performances, deserving their reputation as one of Australia's best acts.

The Highfields Christmas Block party this Friday, December 7, welcomes popular Australian band, The Lamplights, as special guest performers.

The Lamplights are a band you can't help but love at first listen.

Playing a blend of folk, funk, roots, and blues with pop undertones, this fresh, energetic five-piece from the Gold Coast are a uniquely Australian experience.

The five-piece have received accolades nationally and internationally, winning in three different categories at the 2011 Australian Songwriting Association Songwriter Awards, a feat no other songwriter has

achieved in the 32 year history of the awards, and taking home a QMusic award in 2012.

The Lamplights have received airplay across Australia on the ABC radio network including their song *Heading East* on Triple J. Their music has been played on radio stations in New Zealand, Italy, France, Germany, The Netherlands, Norway, Sweden, England, Ireland, Spain, Portugal, Belgium and as far away as Macedonia.

With a genuine love of writing and sharing music, The Lamplights deliver songs that endear positive, emotional connections. They pride themselves on leaving audiences feeling reassured, in-

spired, empowered and loved. The band don't just play, they live the songs through their performances and audiences come back again and again.

Led by one of Australia's most enthralling and charismatic front men, Ryan Gittoes, The Lamplights play music with talent, integrity and honest intentions.

Their chemistry on stage is tangible with world-class musicianship from Jason McGregor, current Australian fingerpicking guitar champion, Ashley Perrow, guitar, slide guitar, Mattie Barker, bass, harmonica, and Mik Easterman, drums, lifting the hearts and hopes of everyone who hears them.

## Ravensbourne range walk

The Ravensbourne community conducts a range walk every two to three months, and finishes with a barbecue or other social activity. When severe storms swept across the region, getting through the walk without getting wet was the object. Michelle Murphy with dog Lucy, was the first to be picked up on a shortened course by husband Shane, centre. Ian Harrison, right, was also waiting to pick up walkers before the storm hit. The 13 people on the proposed 8km journey left in sunlight from Perseverance Trig Station Road for the Ravensbourne sports centre.
